

TRAIL OF TEARS

They came with peace and promises, and left Christianity and death. The war began with the landing at Plymouth Rock in 1620 and ended at the battle of Wounded Knee in 1890. **Within these 200 years, the so-called white man murdered well over 77 million Native Indians—Gadites; not to mention over 200 million +throughout all the “Americas”.** Countless men, women and children were murdered to occupy stolen land and establish church and state. **If we repent, and keep the commandments,** the tribe of Gad, along with the other 11 tribes of Israel will overcome the wickedness and atrocities that were committed against US with the second coming of Jesus Christ, the black messiah! **Revelations 2:26 And he that overcometh, and keepeth my works (The commandments) unto the end, to him will I give power over the nations:**

THE TRUTH ABOUT NATIVE INDIANS

Native Indians, from all over America, are a strong people and by blood line, a chosen people according to the Holy Bible! They are known as the tribe of Gad in the scriptures. Deuteronomy 33:20 And of Gad he said, Blessed be he that enlargeth Gad: he dwelleth as a lion (Fierce warriors / Predators), and teareth the arm with the crown of the head.

..and teareth
the arm.

Blood Brother
Pact

Deuteronomy 33:21 And he provided the **first part for himself**, because there, in a portion of the lawgiver, was he seated; and he came with the heads of the people, **he executed the justice of the LORD, and his judgments with Israel.** The blessings that Gad—The Native Indians would receive would be the first part of land; the main land of “America.” The heads of the people was the tribe of Ephraim (Puerto Rico). Gad executed judgment amongst the 10 tribes of Israel that migrated to the Americas sometime after the Assyrian captivity circa the year 722 B.C., this is found in the book of 2 Esdras 13:40-46.

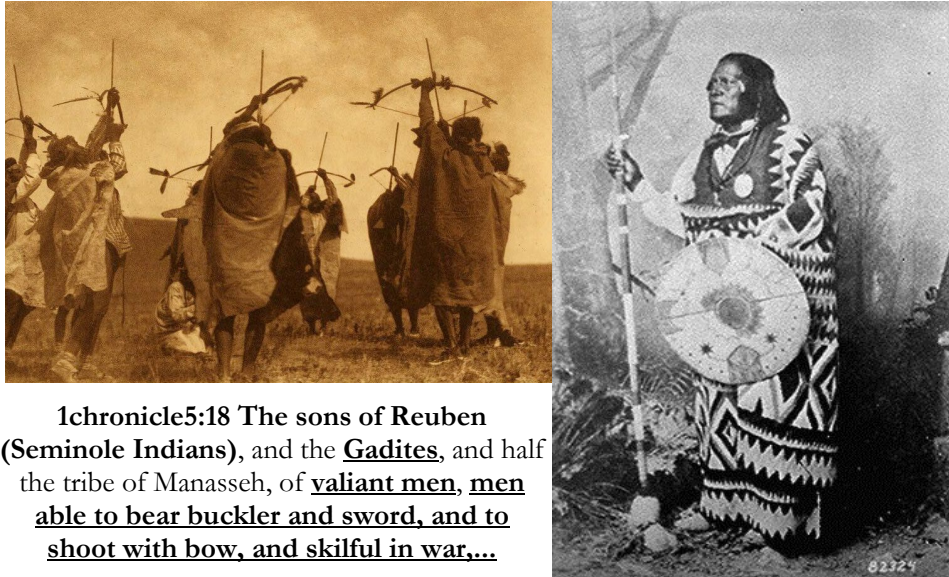

One of many commandments that Gad continues to keep to the present day is the Law of fringes according to Numbers 15:38 Speak unto the children of Israel, and bid them that they **make them fringes in the borders of their garments throughout their generations,** and that they put upon the fringe of the borders a ribband of blue:

39 And it shall be unto you for a fringe, that ye may look upon it, and **remember all the commandments of the LORD, and do them;** and that ye seek not after your own heart and your own eyes, after which ye use to go a whoring:

Gad was the 7th born son of Jacob. His name means “troop”.

The word Indian comes from the Latin word “Indio”, meaning slave.

1chronicle5:18 The sons of Reuben (Seminole Indians), and the Gadites, and half the tribe of Manasseh, of valiant men, men able to bear buckler and sword, and to shoot with bow, and skilful in war,...

1chronicle12:8 And of the Gadites there separated themselves unto David into the hold to the wilderness men of might, and men of war fit for the battle, that could handle shield and buckler, whose faces were like the faces of lions(war paint), and were as swift as the roes upon the mountains; (known to be swift, elusive runners, and horse riders)

The Downfall of The Native Indians

According to Deuteronomy 28:15-68, Israel was warned that if WE did not keep the commandments that God had given them, curses would befall US:

Deuteronomy 28:[49] The LORD shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth;

a nation whose tongue thou shalt not understand(English, French, Dutch, Spanish, etc);

[50] A nation of **fierce countenance**, which shall not regard the person of the old,

nor shew favour to the young:

Genesis 49:1 And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days.

19 Gad, a troop shall overcome him: but he shall overcome at the last.

The troop that would overcome Gad was the US Calvary led by Andrew Jackson. The Buffalo Soldiers, who were Israelites of the tribe of Judah, along with other Gadites such as the Apache, Cherokee, etc, were tricked by the US Calvary to aid them in capturing many Indian nations, like the Red Sticks at the battle of Horseshoe Bend in 1814. Jackson instituted the Indian Removal Act of 1830, which deported thousands of Indians to an arid area west of the Mississippi River: Thousands died of hunger and disease.
